Widow's Might US

It's a new day...

Sharing hope with widows along the way

Supporting
Widows
in the
Quad City Area

Purpose

The death of a spouse causes stress that affects widows physically, spiritually, and financially.

Most widows lose 75% of their support base when their spouse dies. Psychological factors, loss of cognition, and emotions may contribute to feelings of sadness, anxiety, and loneliness.

Widows make up approximately 11% of Yavapai County's population. We acknowledge their needs as they face these challenges. Widow's Might is here to support and give them the means to have success as they navigate grief.

Mission Statement

Widow's Might US stands for empowering, supporting, and engaging with the widows in our surrounding area, to follow God's words in James 1:27...

"Pure and undefiled religion before our God and Father is this: to care for orphans and widows in their distress, and to keep oneself unstained by the world."

We strive to help each widow to maintain her joy of life through our readiness to walk alongside her through this season of life.
